WAUCONDA, ILLINOIS 60084

INTEROFFICE MEMORANDUM

TO: Honorable Mark Knigge, Mayor, and Village Board of Trustees
FROM: Douglas R. Larsson, Chief of Police
CC: Dan Quick, Administrator, and Senior Staff
DATE: October 1, 2010
RE: Final Report of General Activities – Month of September 2010

Code Enforcement – A total of 178 code-enforcement actions were taken by police officers for the month of September.

Grants Activity – This will be a monthly item on the report. The report should expand in the months to come as the grant-writers prepare their work for the Village. I have applied for a DUNS identification number and a CCR number for access to federal grant opportunities.

Community Relations Activities – Canine Sergeant John Combs and Maxx appeared at the Farmer's Market and demonstrated their skills.

Safety Project – The Police and Public Works Department are working with the School District on a safety project to reduce the potential for injuries from drivers who are talking on their cell-phones in the school zones near the High School. Signs are being purchased by the School District announcing the prohibited zone, Public Works is installing the signs, and the Police will be enforcing the zone. The law reads:

A person, regardless of age, may not use a wireless telephone at any time while operating a motor vehicle on a roadway in a school speed zone established under Section 11-605, or on a highway in a construction or maintenance speed zone established under Section 11-605.1. This subsection (e) does not apply to ... (iv) to a person using a wireless telephone in voice-activated mode.
